Spotlight on EMF Research

Literaturliste 2024/1 (11.2022 bis 07.2023)

Dies ist die Liste der zwischen November 2022 und Juli 2023 gesichteten Publikationen, aus denen Artikel ausgewählt wurden, um sie im Rahmen von „Spotlight on EMF Research“ zu besprechen. Die Liste ist nach Kategorien (= Frequenzbereichen, Studiendesign) und anschließend nach Namen sortiert. Die Zahl in Klammern gibt die Menge der Publikationen in der jeweiligen Kategorie an.
Informationen über „Spotlight on EMF Research“ finden Sie auf der BfS-Homepage.

This is the list of publications screened between November 2022 and July 2023, from which we selected articles to be reviewed in our „Spotlight on EMF Research“ series. The list is sorted by category (= frequency range, study design) and on a second level by name. The number of publications in a specific category is given in parantheses.
Please find more information on „Spotlight on EMF Research“ on the BfS website.

Inhalt
